Happy Thane Formula

Your ticket to high-speed steamroller action and the obliteration of a variety of small mammals.

80MM (56MM CONTACT) OFFSET
AVAILABLE IN 80A AND 83A

4 PRESIDENT

Happy Thane Formula

A mid-sized slalom shape for hard carving, pumping and technical downhill racing.

70MM (53MM CONTACT) OFFSET
AVAILABLE IN 80A, 83A, AND 86A

IN HEAT

Happy Thane Formula

A perennial favorite for hard carving, pumping and downhill racing.

75MM (56MM CONTACT) OFFSET
AVAILABLE IN 80A, 83A, AND 86A

FREERIDE FREESTYLE DANCING

DURIAN

Happy Thane Formula

The Durian is the largest of the offset freeride wheels, bridging the gap between a full-fledged race wheel (like the In Heat) and a slidier freeride wheel (like The Cage).

75MM (45MM CONTACT) OFFSET
AVAILABLE IN 80A, 83A, AND 86A

STIMULUS

Happy Thane Formula

The Stimulus is a mid-sized wheel that strikes a balance between a full-fledged race wheel (like the 4President) and a slidier freeride wheel (like The Kilmer).

70MM (42MM CONTACT) OFFSET
AVAILABLE IN 80A, 83A, AND 86A

FAT FREE

Happy Thane Formula

The Fat Free is a small and lightweight freeride wheel designed to provide easy slides on smaller boards like minis and double-kicks.

65MM (37MM CONTACT) OFFSET
AVAILABLE IN 80A, 83A, AND 86A

THE KEANU

Peachy Thane Formula

The Keanu is a compact sliding machine designed for double-kick sliders or riders who prefer a smaller and lighter wheel.

66MM (38MM CONTACT) CENTERSET
AVAILABLE IN 80A, 83A, AND 86A

THE KILMER

Peachy Thane Formula

The Kilmer is the perfect mid-sized centerset wheel for downhill freeride domination.

69MM (39.5MM CONTACT) CENTERSET
AVAILABLE IN 80A, 83A, AND 86A

THE CAGE

Peachy Thane Formula

The largest of the centerset family, The Cage provides roll speed and predictable drifts for high-speed downhill freeriding.

73MM (41.5MM CONTACT) CENTERSET
AVAILABLE IN 80A, 83A, AND 86A

FREESTYLE DANCING SLIDE PARK

MORONGA

Euphorethane Formula

A narrower, mid-sized freeride wheel with stiff, rounded lips. Poured in our Euphorethane formula for long slides and excellent longevity.

72.5MM (35MM CONTACT) CENTERSET
AVAILABLE IN 80A, 83A, AND 86A

ONSEN

Perky Thane Formula

The Onsens blend the boundaries of traditional skateboarding, park riding, and longboarding. Grippy enough to hold lines in the bowl, but slidey enough for predictable speed checks and recoveries from sketchy scenarios.

58MM (19MM CONTACT) CENTERSET
AVAILABLE IN 100A

SKIFF

Happy Thane Formula

Designed for all-terrain use, the Skiff is a utilitarian alternative to a traditional street wheel for riding faster, steeper, rougher, and longer.

62MM (25MM CONTACT) CENTERSET
AVAILABLE IN 80A, 83A, AND 86A

NIPPLE BUSHINGS

Poured in an extra lively and energetic urethane formula, these double barrel bushings will put the bounce back in your turns.

AVAILABLE IN SOFT, MEDIUM AND HARD.

G - SKETCH SWEATSHIRT

The Orangatang Sketch zip-up hoodie features a “G” logo treatment from our own Tamara Prader. The back logo is printed in a reflective ink and easier to find when lost in the woods.

G - HAT

Black, bold, and breathable Flexfit hat with an off-center Orangatang G logo in light blue.

G - GRID TEE

The Orangatang G grid tee shirt sports an epic matrix of our favorite letter and makes you want to play plinko.

ORANGATANG TEE

The Orangatang Yellow t-shirt sets your sights on the horizon.
