

J & R Sports Carriage Charges

As times have changed we have tried to keep our carriage charges the same to avoid confusion but unfortunately we have now had to restructure our carriage charges to reflect the services offered.

UK Mainland Orders over £300.00 excl VAT - Free

If your order is over £300.00 nett and within mainland UK, we like to offer our free standard shipping service to say thanks.

Up to £200.00 excl VAT - £10.20

This is a standard 48 hour service. From the day we process and dispatch your order our carrier will aim to deliver to you with 48 hours of collection from us.

£200.01 to £299.99 excl VAT - £8.15

This is a standard 48 hour service. From the day we process and dispatch your order our carrier will aim to deliver to you with 48 hours of collection from us.

Next Day Delivery – £12.50

From when our carrier collects your order from us, they will endeavour to deliver the goods within 24 hours of collection.

BazookaGoals Shipping – £14.50

Due to the size and weight of the BazookaGoals we are unable to send these items within our normal carriage options. We are able to send the above items on a 24 hour service to either yourselves or a customer direct for the same charge.

Small Post Item (Royal Mail Recorded Delivery) – £6.50

As the name suggests, this service is for smaller items that are within the guidelines given by Royal Mail. To make sure that the best service is offered to our customers, we use a Recorded Delivery service that require a signature on receipt.

Our carriage charges are not limited to the above and because J & R Sports values every order we receive, if you require a single bolt or a pair of wheel spacers, we will of course send these to you.

For items like this you can order via our B2B site and select the **Small Post** option and if there is a cheaper option available, we will manually adjust your order to reflect this. If you have any queries please call the sales office on 0151 523 0500 and we will be able to advise a price for standard (NOT Recorded Delivery) Royal Mail postal service.
