

2024 NEO SKATES COLLECTION

NEO

NEO is the new generation of Freeride skates, introducing a new & enhanced experience for Freeride!

All models from the NEO skate collection were designed with the focus on free movements, optimal comfort, & best skating sensations.

With NEO skates, experience an optimized fit, that truly makes your skates feel like a natural extension of your body.

Their lowered balance point, natural flex, and adjusted fit will let you move freely and reach an unmatched skating flow.
